

COVID POLICY for the CO-OPERATIVE STUDENT GATHERING

Summary:

Each day you will be required to show a Lateral Flow Test you took that day, as well as sign in to the track and trace, in order to receive a wristband in order to attend any of the events. Masks will be worn when not eating or drinking, and social distancing of 1 meter observed as much as possible.

Symptoms:

If you, anyone in your household or anyone you have had close contact with, has symptoms of COVID-19 (cough, loss of taste and smell, or a fever) or has tested positive for COVID-19, you will not be able to attend this event unless you obtain a negative PCR test.

Please monitor yourself for symptoms throughout the weekend and do not attend events if you think you may have COVID. If you develop COVID symptoms within 48 hours of attending the Co-operative Student Gathering, please email eshc.principle6@gmail.com as soon as possible so that others can be informed to isolate and test themselves.

Lateral Flow Testing:

Lateral Flow Tests (LFTs) will be mandatory on *each day* of the event in order to attend. There will be spare LFTs available if you do not have your own. You must do the LFT within 2 hours of the first event you attend that day and report your result online at <https://www.gov.uk/report-covid19-result> . Bring along your text or email of your LFT result to show at the check-in desk, which will be open 10 minutes before each event starts in the 34 Basement. Once you have presented your proof of negative result and checked in with the track and trace, you will be provided with a wristband which means you are able to attend all the events that day. New wristbands are given daily.

Track and Trace:

You will also be required to check in for Track and Trace purposes at the check-in desk each day. This will be done via an online form. Data will only be used if we need to contact you because someone you may have been in contact with has tested positive for COVID-19 within 2 days of the event. Data will be deleted a week after the event.

Masks:

Unless eating or drinking please wear a mask at all times. Masks are mandatory in all inside communal spaces of Edinburgh Student Housing Co-operative, including the stairwell and basement. A clean mask should be worn each day.

Social Distancing:

Where possible, 1 meter social distancing should be observed. For this reason, events may have limited numbers.

Vaccination Status:

Vaccination Status will not be checked for this gathering, but we expect all attendees to be up to date with their vaccinations as advised by their health professionals.
